Dear Alumnus/ Alumna

Greetings from your Alma Mater!! Our alma mater is commemorating its glorious journey of **100 years of Engineering Education** at **Banaras Hindu University**, one of the world's largest residential universities founded by Bharat Ratna Pt. Madan Mohan Malviya. We have planned several activities and events as part of centenary celebrations during the year(s) 2018-2020. One of the biggest of those events would be our **Centenary Institute day (Basant Panchami 10th Feb,2019)** and **Global Alumni Meet (9th Feb - 12th Feb,2019)**. You would be pleased to know that **Honorable Prime Minister, Sh. Narendra Modi** has kindly consented to be the **chief guest for the function** on 12th Feb,2019. Industry veterans and CxOs are also invited to showcase their products and technologies during the exhibition planned during this event.

On behalf of the institute and nodal alumni associations across the globe (AIBA, BAA, IBGAA, WIAA), it is our pleasure to invite all the Alumni/ Alumnae of BENCO, MIN-MET, TECHNO, IT-BHU and IIT (BHU), with their spouse and other family members to be part of this historic event.

After physical registration in the morning of February 9, 2019, several interesting academic, cultural, and social events including visits of Ghats, Temples, Ganga Aarti etc. are planned during this period. The detailed program will be communicated to you in due course of time.

You are advised to register online early to avoid any inconvenience later. Post registration, the event hospitality team would facilitate to ensure a memorable experience during this event.

You are requested to share this invitation with your batchmates. We look forward for your confirmation at the earliest and eagerly waiting to greet you in Varanasi in February 2019.
